Policy Document on the "Go Green" Initiative

A. Green Campus : A Green Campus has been the sole motto of Nalanda's Go Green initiative. Although it is a challenge to have a Green Campus, in a metro city like Mumbai, but Nalanda promotes ecofriendly practices while redefining Green Campus initiatives in it's own way.

Objective of the " Go Green" Initiative : Nalanda's Green Campus Initiative began by the celebration of Mahakavi Kalidasa Jayanti on the first day of the Hindu month Ashadh, Wherein the Tree Plantation Program was organised. A program committee was formed to execute the Initiative.

In a due course of time Nalanda's Green Club "Vasundhara" was formed keeping in view the organizational structure of the institute. Hence to give this Initiative more clarity and a concrete form, Nalanda rolls out a POLICY DOCUMENT, to verbalise strategies and plans to make the program functional officially.

Nalanda aims at having a nature friendly atmosphere in the campus, by proper disposal of the wastes, use of environment friendly equipments, effective recycling programs etc. The management and the authorities believe in incorporating the strategies into the institutional planning and budgeting process. The Green Campus Initiatives are implemented diligently amongst the staff and the students.

Role of the Go Green Campus Programme:

B. Role of the Go Green Programme :-

The success of the Go Green Initiative depends upon the whole hearted commitment and involvement of the members of the committee and the students teaching staff as well as non teaching staff of the college. Thus keeping the motto of the initiative in view, the Committee will undertake following programs:-

1. Organize Green Campus Environmental Ethic Awareness campaign.
2. Chart out a yearly planner for the institute and the stake holders.
3. Develop a strategic plan to carry out varied nature promoting activities by the faculty members and the students.
4. Make campus free of hazardous disposals.
5. Conduct an Annual Green, Environment and Energy Audit.

C. Promotion of "Energy Save Tips"

1. Turn off lights and fans when not required.
2. Use of LED lights in the premises.
3. Shut down the computers before you leave the table.
