#### AFFILIATED CLASSES

As reported in the last year's Report our courses of training for the foundation classes for school going children have been officially recognized by the Government of Maharashtra for granting additional percentage to the total marks obtained at the 10th (S.S.C) examination under the **Cultural Quota Scheme**. Dr. (Smt) Uma Rele and myself were invited by the Government to participate in the entire process of giving final touches to the scheme. The scheme at Nalanda will cover the eligible students of all our affiliated classes.

We will have to restructure our training pattern to conform with the rule of the scheme. For this purpose we may have to change the nomenclatures of the various class examinations. I will start the process and tender a report. Also I would like to state that only the pattern and nomenclature would change and at no cost the course content will change.

Like last year, I request the members and trustees to take a note of the fact that if we are able to keep our head above the water it is due to the revenue coming from these classes and other minor courses.

Lastly, I conclude by saying that everyone concerned will have to contribute to ensure that despite the erratic funding policy of the Government, we have to run this institution in a way that it does not face financial disaster and continues to progress in the future years to come.

Requesting your support to Nalanda,  
With warm regards

## NALANDA NRITYA KALA MAHAVIDYALAYA

The college has earned great fame as a very serious institute excelling in very traditional but scientifically researched programmes of dance education and training.

I am very happy to inform you that Nalanda Nirtya Kala Mahavidyalaya has started its expected contribution to the research aspect of Dance education and we welcome this step on the 14<sup>th</sup> January, 2018 during the Bharata Muni Samman function Dr.(Smt) Uma Rele released the first copy of the college research Journal

**NALANDA SANSKRITI PRAVAHA** at the hands of our Chairman Dr. Anil Kakodkar.

Dr.(Smt) Uma Rele has performed praiseworthy task of editing the journal by collecting very scholarly / Researched articles on India Dance and allied Subjects.

In this task the college staff very ably assisted her.

Our Congratulations to Nalanda Nirtya Kala Mahavidyalaya and - Dr.(Smt) Uma Rele.

We are the only dance institution in the country to be recognized as SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATION (SIRO) by the Ministry of Science and Technology, Government of India.

## MFA-MOVEMENT SCIENCE

Very unfortunately the Government of Maharashtra did not give permission to start this college despite the University of Mumbai having given it's approval in the academic year 2017-18.

I have now successfully taken up the matter with Shri. Vinod Tawde Hon'ble Minister for Higher education who has promised help and I am optimistic that we can start the course in the next academic year 2018-19.

## NALANDA NRITYA KALA MAHAVIDYALAYA

Nalanda Nritya Kala Mahavidyalaya has now earned great fame not only in India but abroad as well. A large number of students seek admission and do extremely well.

We must give credit to the staff of the college for doing excellent work. The professors led by Dr. (Smt.) Uma Rele Principal are, barring the Sanskrit teacher, are all our ex-students. All are properly qualified and recognised by the Government. They participate very enthusiastically in all the activities. They also engage in research projects of their own.

So far as the post of Musician-Accompanist is concerned it does not come under the U. G. C. post of 'Teacher' as yet. But the Govt. of Maharashtra has approved of this category many years ago by issuing official G. R. and fixing the salary grade as per Govt. norms. All the musicians retired at the age of 60 like the Asst. Professors and are getting pension. The only difference is that there is no provision for extension of two years. Thus we as Management employ them at our expense. This expenditure is necessary since these musicians are experts in fields which are traditionally hereditary and we cannot get equally qualified replacements. There is no objection on the university's part to this arrangement and work proceeds smoothly.

The Kathak wing is doing well and we get a large number of students for the Certificate and Diploma Courses.

It must be clarified that all the M. P. A. courses and all the Kathak courses are self financing and the expenses have to be met with from fees collected. If there is any short fall we have to come to the rescue. But since our central Aim and Objectives are to nurture and spread study and appreciation of classical dance this expense is legitimate.

### NEW COURSES

The new courses will be introduced in the coming academic year 2015-16.

2. Certificate Course in Folk Dances of Maharashtra and Gujarat.

### AFFILIATED CLASSES

We continue with our system of affiliating institutions/classes conducted by our ex-students. We ourselves conduct their examinations and these students receive our two certificates:

1. Prarambhika
2. Kovida

There are 66 affiliated classes.

### FOUNDATION (EVENING) CLASSES

These classes continue to attract a great rush for admissions and all the vacancies are filled up within a week of the start of the admission process.

There are approximately 350 students enrolled. We do not wish to admit more in order to maintain high standards.

If we are able to keep our head above the water it is because of the revenue coming from these classes.

I most sincerely request the members to take a serious note of this situation and come to the rescue of our institution.

I am privileged to inform you that our two Certificates have been recognized by the Govt. of Maharashtra for granting extra % after the 10th S. S. C. examination. The Govt. has placed classical dance achievement by the school going children on par with sports.

I request your support and affection.

Thanking with warm regards

This year being the Golden Jubilee Year of Nalanda Dance Research Centre (Management) we arranged a special performance by the professors, each one presenting a solo item some of the senior teachers from the evening classes also performed.

It is to be noted that both the courses will be self financing.

### **Student Strength at Nalanda Nriya Kala Mahavidyalaya :**

It is estimated that there are approximately 160 students studying for various courses of the University of Mumbai. It does Nalanda Nriya Kala Mahavidyalaya credit since there is no other discipline that is offered. Today our students are famous exponents and very successful teachers spread all over the world. Many are running very successful institutions of their own.

### **AFFILIATED CLASSES:**

We continue with our system of affiliating institutions/classes conducted by our ex-students. We ourselves conduct their examinations and these students receive our two certificates:

1. Prarambhika
2. Kovida

### **Evening Classes:-**

These classes continue to attract a great rush for admissions and all the vacancies are filled up within a week of the start of the admission process.

There are approximately 350 students enrolled. We do not wish to admit more in order to maintain high standards.

If we are able to keep our head above the water it is because of the revenue coming from these classes.

I most sincerely request the members to take a serious note of this situation and come to the rescue of our institution.

I request your support and affection.

Thanking with warm regards

Yours Sincerely,  
sd. -

#### **NALANDA NRITYA KALA MAHAVIDYALAYA:**

Our college is doing extremely well. Every year the enrolment is increasing and the number of students per class also goes up. Due to this , as in the last few years, we are experiencing lack of space and the college is forced to have extra classes after the regular hours.

The college students are doing very well and the results are excellent.

As reported in the last year's Report we have filled up all the sanctioned posts and the new appointments have been approved.

So far as the post of Musician-Accompanist is concerned it does not come under the U.G.C. post of 'Teacher' as yet. But the Govt. of Maharashtra has approved of this category many years ago by issuing official G.R. and fixing the salary grade as per Govt. norms. All the musicians retired at the age of 60 like the Asst. Professors and are getting pension. The only difference is that there is no provision for extension of two years. Thus we as Management employ them at our expense. This expenditure is necessary since these musicians are experts but in fields which are traditionally hereditary and we cannot get equally qualified replacements. There is no objection on the university's part to this arrangement and work proceed smoothly.

The Kathak wing is doing well and we get a large number of students for the Certificate and Diploma Courses.

It must be clarified that all the M.P.A. courses and all the Kathak courses are self financing and the expenses have to be met with from fees collected. If there is any short fall we have to come to the rescue. But since our central Aim and Objectives are to nurture and spread study and appreciation of classical dance this expense is legitimate.

#### **NEW COURSES :**

The new courses will be introduced in the coming academic year 2015-16.

1. M.F.A. – Movement Science
2. Certificate Course in Folk Dances of Maharashtra and Gujarat.

We are awaiting the university's official circular in the matter and are confident that we can register students for these two courses.

It is to be noted that both the courses will be self financing.
