This is Jyoti Karakat, alumna of Nalanda Nritya Kala Mahavidyalaya. I have completed my Bachelors in Performing arts (BPA) in the year 2015. I am also the co-founder of an arts platform named 'Kalaa Anveshan' registered as 'Arts Insight Pvt. Ltd.' since 2020. We are currently a team two and my approximate salary is 1 lakh rupees per annum.

Back in 2010, I assumed I was going to be a part of a dance college only to later realise that it was much more than just a dance college.

A severe leg injury led me to drop off from dancing and what started as a journey to be a performing artist has led me to be a curator and help upcoming artists connect with the right audience.

I shall forever be grateful to Nalanda for unlocking multiple doors to explore and share opportunities that helped us grow and expand our horizon.

Yours faithfully,

This is Priyal Sontakke, alumna of Nalanda Nritya Kala Mahavidyalaya. I have completed my Bachelors in Performing arts (BPA) in the year 2015. I am also the co-founder of an arts platform named 'Kalaa Anveshan' registered as 'Arts Insight Pvt. Ltd.' since 2020. My college helped me grow in my career as well as in life. Personally, I would say that it made me much more interactive and built confidence in me. My college gave me scope to explore Performing Arts thoroughly. It moulded me to think beyond my limits and extend my boundaries. Because of the knowledge and guidance of my gurus I'm able to take this valuable art form forward and spread it around.

I would like to thank my college Nalanda Nritya Kala Mahavidyalaya for being the place where I discovered myself. I got to spread my wings and became the best version of myself and I got to be a part of memorable experiences and one-of-a-kind opportunities that I don't think I would have found anywhere else. Thank you for caring about the well-being of the students.

To Whomsoever it May Concern

I, Paridnya Anand Kallyanpur, am an alumna of Nalanda Nritya Kala Mahavidyalaya. I graduated with a Masters in Performing Arts in the year 2019. I started Nrtyaja, an institute for Performing Arts in November 2020. Under this banner, I currently conduct Bharata Natyam classes online. These are affiliated with Nalanda Dance Research Centre. Apart from this, I also do freelance teaching, choreography and performing. I have also been an examiner for Nalanda Dance Research Centre's evening classes.

I have been fortunate to be honed by the excellent teachers at Nalanda Nritya Kala Mahavidyalaya, who continue to guide me in my work. It is truly a blessing to be able to share the knowledge I have received and work in a field I am passionate about. I feel happy to see young children and other individuals develop a love for dance and Indian culture, and to play a small part in the process. Seeing my work, a teacher who had to discontinue her classes for personal reasons also handed over her students to me. Recently, I also conducted Summer dance workshops. Due to the great response, I had to start a second batch in one of the workshops. Thus, the start to my work through my institute has been good, and I hope to grow it further after the pandemic. My estimated income through Nrtyaja for this academic year is Rupees 3 lakhs. With prospective students already making enquiries, this is likely to grow as the new academic year begins. I am very thankful to Nalanda for making me the dancer I am today, and I am certain about the continuation of the support of my Gurus in my journey ahead.

Yours faithfully,

Paridnya Kallyanpur.
