The only suggestion is that it would do a lot better if more of ICT tools are used to teach theory subjects so that the concepts become more clear and also the subject will become even more interesting to learn. It will also do lot better to students who fall under the category of visual - audio method of learning.

- One master for all lectures of a subject. Otherwise it is difficult for a master to know exactly what was taught in another class.
- comparative discussions on the format of items learnt vis-a-vis those of others like Pushpanjali, todayamangalam, mallari and kautvam for Master's students choreography lectures.
- Students should be encouraged to take notes or write answers for better comprehension and writing ability and speed.
